

The logo features a stylized mountain range in green at the top. Below it, the website address 'www.skilenz.at' is written in white. The main text 'MOUNTAIN GOKART' is in a bold, italicized font, with 'MOUNTAIN' in white and 'GOKART' in green. To the right, there is a graphic of a grid pattern, possibly representing a kart's chassis, with a pink triangle pointing towards it. The entire design is set against a black, splatter-like background.
